Upping the ante on dance coverage and conversation

Sneak Peak!

In April, Becca Weber wrote about TD's adventures with [No Idea is Too Ridiculous](#).

Now we offer you a glimpse of our soon-to-debut video. In this 10-second sneak peak you get a taste of what we'll be uploading to the thINKingDANCE site in June. https://www.dropbox.com/s/o5pdn9wi1bfnp39/NO_idea_sample.mov

We've been wanting to work with media since our very beginnings, so we're happy to finally dive in. Keep your eyes peeled for the full video and know that [your support](#) helps us keep experimenting in new ways!
