Upping the ante on dance coverage and conversation

Write Back Atchas - spring 2017

write with us

thINKingDANCE will host three free post-performance “write-back” events after performances in Philadelphia this spring. A *Write Back Atcha* is a post-show “talk-back” combined with a mini-writing workshop. *Write Back Atchas* are a chance to practice writing and talking about dance.

This spring our facilitators will be at the following events:

Friday, March 31, [Parrot Talk](#), an original play by Julius Ferraro

Saturday, April 29, Tania Isaac at [FringeArts](#)

Friday, May 5, [Aspen Santa Fe Ballet](#) at the Prince, Next Move Dance

Some previous Write Back Atchas occurred after [Jerome Bel's controversial Gala](#), and David Zambrano's [Soul Project](#).
